## SUMMARY

Web developer primarily focused on front-end development using React.js with 2 years of working experience. Experienced in developing, optimizing and maintaining an application throughout its lifecycle in an Agile process

## EDUCATION

**MULTIMEDIA UNIVERSITY CYBERJAYA**

June 2017 - June 2020

Bachelor of Computer Science (Hons.) - specializing Game Development

## WORK EXPERIENCE

**REDSQUARE SOFTWARE, Software Associate / Mid Front-end Developer**

May 2021 - Current

- Developed up to 3 web applications projects over the course of a year under an Agile environment
- Developed and implemented over 90+ responsive screens based on user interface design using React concepts and frameworks such as NextJS and Redux for an automotive news web platform over the course of 7 months
- Trained and mentored 3 junior front-end developers
- Participated in 100+ daily standups to receive tasks and coordinate with project members to achieve weekly goals
- Performed troubleshooting, debugging and performance testing to improve and optimize where a web platform load time is reduced from 15 seconds to 2 seconds

**SHARED EXPERIENCE ART MACHINE LLC, Web-cum-UX Developer**

March 2020 - May 2021

- Communicated with the project members to design, develop over 30+ API components and deliver features for an in-house web platform
- Solved 20+ UI/UX issues with Designer with regards to the architecture and technical feasibility of the platform
- Worked with CEO to analyze 5+ automated UI testing solutions to implement and reach development needs

**ACCENTURE SOLUTIONS, Intern**

March 2019 - June 2019

- Maintained reliability of technical concepts documentation in a fast-paced environment resulting in time saved for the Technical Team
- Analyzed the as-is processes from users with the Functional Team for the development of the platform to optimize workflows
- Produced an infographics video to be shown and viewed by 30,000 people in client's in-house software

## TECHNICAL SKILLS AND LANGUAGES

### TECHNICAL SKILLS

- |              |            |           |                |              |           |          |
|--------------|------------|-----------|----------------|--------------|-----------|----------|
| • NextJS     | • React.js | • HTML    | • Git / Github | • PostgreSQL | • MongoDB | • Unreal |
| • Javascript | • Webpack  | • CSS     | • Django       | • Express    | • Figma   | • Unity  |
